Windo-Clean +
A concentrated cleaner for use on surfaces not damaged by water including glass, mirrors, CRT screens, TV screens, office equipment. Dissolves grease, oil, fingerprints, smudges and soils quickly. Not for use on anti-glare treated screens.

SPECIAL INSTRUCTIONS:
When used on office machinery and data processing equipment (computers) or TV screens, always spray on paper towel or clean cloth and then wipe area to be cleaned. Never spray directly on any surface where working office machinery or computer parts would be exposed to this product. DO NOT SPRAY ON FLAT WALL PAINTS OR HOT SURFACES. Do not dispose of in storm drains or streams.

Re-Juv-Nal
This product is a phosphate-free, pH neutral formulation designed to provide effective cleaning, deodorizing, and disinfection for hospitals, nursing homes, schools, food processing plants, food service establishments, restaurants, transportation terminals, office buildings, manufacturing facilities, lodging establishments, hotels, retail business, and athletic/recreation facilities, sports stadiums, amphitheaters and convention centers where housekeeping is of prime importance in controlling cross-contamination from treated surfaces.
